Electronic Research Administration Update

FDP Meeting

January 9, 2017

Mark Sweet

University of Wisconsin – Madison

eRA Committee Co-Chair

Grants.gov JAD

- Joint Application Development (JAD)

- Work with the Grants.gov team to ensure that future development of Grants.gov is meeting institutional needs.   Help with testing, raise concerns, etc.

- Small working group meets the day before or after the FDP meeting

SciENcv

- Group is working with Federal SciENcv group to help develop profile and CV system.

- **Monday 3:50pm Regency B with the SciENcv team**

- The future is uncertain, however the recently passed American Innovation and Competitiveness Act (AICA) mentions developing a standard profile system

DATA Act

- Joint working group with the Open Government group

- Most activity is at the Federal agencies and is behind the scenes to ensure that data is accurately reported to USASpending.gov

DATA Act Pilot Sessions

- Hands on pilot sessions
- Geared towards administrators
- **Columbia A room**
- Bring laptop or tablet to session
- **Monday 1:00pm:** Standard Notice of Award pilot
- **Monday 2:20pm:** Common Data Element Repository (CDER) Library test

FDP Expanded Clearinghouse

- Helping test website

- Defining data exchange so institutions can automatically use data via API or Webservice

Federal Agency Matrix

- A matrix of all (or as many as we can identify) Federal electronic systems that we need to interact with

- Highlights the breadth of systems that we have to deal with

- Highlight where there may be duplicative systems

- Agencies could potentially use this matrix to see what other agencies are doing

Federal Agency Matrix Session

- **Tuesday 9:00am Regency B**

- Session will present background on project and be a bit of brainstorming session

- Looking for volunteers for a small working group to complete the details of the matrix

21ˢᵗ Century Tools

- Working behind the scenes with FDP Exec Committee and FDP staff to bring updated tools and technologies

- Work Group tool – Trello

- Working with Communications committee on updated FDP website

Questions?
