# GRANTS.GOV REPORTS FOR APPLICANTS

## Grants.gov Reports for Applicants

- The Grants.gov PMO is looking to provide some statistics that may be helpful to applicants.
- Possible areas the reports could cover:
  - High-level information on Opportunities
  - High-level information on Submissions
  - Performance statistics such as average processing time and rejection rate
  - Outreach activity statistics such as presentations given and brochures distributed
- We are interested in soliciting FDP input about what kind of reports might be desired.
- Please provide suggestions by completing the enhancement request form located on the following site page:  
<http://www.grants.gov/web/grants/support.html>.
- Submit the completed form to [support@grants.gov](mailto:support@grants.gov) by clicking the **<Email Form>** button in the form.
