2 CFR Parts 25 and 200

Universal Identifier and System of Award Management; Corrections

AGENCY: Executive Office of the President, Office of Management and Budget.

ACTION: Correcting amendments.

SUMMARY: The Office of Management and Budget (OMB) is correcting the final guidance that appeared in the Federal Register on September 14, 2010 (75 FR 55673) and December 26, 2013 (78 FR 78589). OMB is amending the guidance to make technical corrections where needed. The final guidance is revised to remove references to the “System of Award Management” and replace them with the correct term “System for Award Management”.

With respect to the technical corrections to the final guidance, these corrections are included only where it has come to the attention of the Council on Financial Assistance Reform (COFAR) that particular language in the final guidance did not match with the COFAR's intent and would result in an erroneous implementation of the guidance. These technical corrections will go into effect at the time of issuance.

Guidance on effective/applicability date is revised to allow a grace period of two fiscal years for non-Federal entities to implement changes to their procurement policies and procedures in accordance with guidance on procurement standards.

Other requirements in the section remain as originally published. Technical corrections are made to eliminate conflicting or unclear language and grammatical inconsistencies or citation errors throughout.

DATES: *Effective date:* [Insert date of publication in the Federal Register].

Implementation date: For all non-Federal entities, there is a two-year grace period for implementation of the procurement standards in 2 CFR 200.317 through 200.326.
