ONR Update

- **New Chief of Naval Research**
- **ONR Grant Pilot – DURIP Program**
- **A Few Reminders**

New CNR

Rear Admiral David Hahn

- **Chief of Naval Research**
- **Director, Test and Evaluation and Technology Requirements**
- **Joined ONR on 18 November 2016**

ONR DURIP Grant PILOT

- Objective – Issue DURIP grants NLT 1 JUL 17
- Goal:
 - Issue grants between January – February 2017 with initial funding amount (\$25K)
 - Fully fund not later than 1 JULY 2017
- **Special Condition – Page 5 of grant**
 - University cannot publically announce it has received the grant before the grant start date

ONR DURIP Grant PILOT

Timeline

- Fall 2016 – ONR proposal reviews & selections
- Jan/Feb 2017 – Grants issued with initial funding (typically \$25K)
 - Start Date: either 1 JUN or 1 JUL 2017
 - 12 Month period of performance
- March thru May 2017 – Issue funding increments to fully fund each grant

A Few Reminders...

- Sunset of PayWeb
 - Reference Guide for using the DoD WideArea Workflow e-Business Suite, iRAPT
 - FAQs
 - <http://www.onr.navy.mil/Contracts-Grants/manage-grant/grants-payment.aspx>

A Few Reminders...

- 2 GRANT Numbers / 1 PROJECT
 - ONR transition to a new Grant Award financial System
 - No data migration necessitates issuing a new grant number for funding increments provided in FY16 and beyond
- All funding on first grant must be fully expended before you can invoice against the new transition grant
- If you have a funding gap between the initial grant and the new transition grant
 - Notify the Administrative Office so that the start date of the new transition grant can be changed
- No Fund Extension policy applies
 - Cannot exceed 15 months beyond initial period of performance
